 - b. If we believe disclosure is necessary or appropriate to protect the rights, property, or safety of the App, our customers or others.

[6] Compliance

Our App is not directed to children under the age of 18, and as such we do not allow the registration by children under the age of 18. The App does not knowingly collect personally identifiable information from children under 18. Children should always ask parents for permission before providing any personal information online. No one under age 18 is allowed to provide any personal information or use our App. No information should be submitted to or posted through this App by any Minor (a guest under 18 years of age) without the consent of a parent or guardian. Unless otherwise disclosed during collection, we do not knowingly provide any personally identifying information about Minors, regardless of its source, to third parties, nor is this information knowingly used by our App for any marketing or promotional purposes.

[7] Data Security

- You are responsible for keeping your username and password confidential. We ask you not to share your login credentials with anyone.
- Unfortunately, the transmission of information via the internet is not completely secure. Although we do our best to protect your personal information, we cannot guarantee the security of your personal information transmitted to our App. Any transmission of personal information is at your own risk. We are not responsible for circumvention of any privacy settings or security measures contained on the App.

[8] Changes to Our Privacy Policy

We post any changes we make to our Privacy Policy on this page. The date the Privacy Policy was last revised is identified at the top of the page. You are responsible for periodically visiting our Privacy Policy to check for any changes.
